## VERY FINE BOWLING

Carrolls Defeated Jolly Fat Men in  
Three Straight Games.

HIGH SCORES BY BOTH TEAMS

Important Session of Cycle Track  
Promoters in New York.

SPORTS IN GENERAL

The bowling team representing Carroll  
Institute the city league took a com-  
manding lead in the championship race by  
defeating the Jolly Fat Men's Club three  
straight games. The games were bowled  
on the Carroll's alleys and in only the first  
game did the score close. The Carroll  
got a poor start this season in the cham-  
pionship race, but since they have settled  
down to their true stride there is likely  
to be nothing to it but an easy first for  
the institute five. Prior to last night's  
games the Jolly Fat Men were tied with  
the Saengerbunds for second place, but  
the three straight defeats sent them into  
third place with a whim.

The bowling last night by both teams  
was of a high order of excellence, every  
game having figures over the eight hundred  
mark, while 903 was reached by the Car-  
rolls in the second contest.

In the first game the Jolly Fat Men got  
off with a flying start and when the sixth  
box had been bowled they were sixty pins  
ahead of the Carrolls. At this point the  
Carrolls came into their stride and over-  
taking the jolly fellows won out by the  
narrow margin of twelve pins. The other  
games were much more evenly contested,  
Carroll's good-sized margins. Smith of  
the Carrolls captured the evening's top  
score honors with 221 and his average was  
146. A number of difficult divided as it  
appears were made and the big crowd yelled  
its approval.

Following are the scores in detail:
